Meeting Minutes from 03/03/10

Mrs. Curtis' comments:

- THE WINTER CARNIVAL WAS AWESOME!!!

Budget -

- It was discussed on the new idea to help get more chaperones about how many children should be admitted free. Dan Amadon motioned that one child per chaperone unless the parent is an active participant of the PTSA (The President, Vice-president, Treasurer or Secretary will make the final decision and let the parent know). It was second by Mr. O'Conner and Heather Farrara. It was also voted unanimously by all attending people at tonights meeting.
- Carnival balance sheets were presented. It was also discussed that next year it needs to be clearer on who gets the proceeds. For this year we will take the proceeds from the baskets and divide it by the 11 baskets that were presented.
- We are also looking at ways to give extra tickets to people (ex. Buy \$20.00 of tickets and get 5 free).
- There will be a closing meeting on Tuesday night March 16 @5:30 in the conference room to discuss the pros and cons.

ILT – Brenda Schramm brought up ideas from a recent ILT meeting on about how to supply snacks to kids. We need ideas of how to implement food & drinks in classrooms. Mrs. Curtis will store food and drinks in her office that was leftover from the Winter Carnival.

***** It will be a line item for next year to add an amount to put aside for food & drinks.

8TH grade Celebration – a few parents have shown an interest in being on this committee (Brenda Schramm, Tracy Redding, Heather Farrara, Lana Burke & Lin Sternberg). Any other parents should contact the

PTSA if they are interested.

Box Tops for Education – We have earned \$30.00 and are looking to earn more. Please remember to submit these to the school with your child.

Book Fair – is next week - Michele needs lots of help. Christine Speares or Michele Andrews will send an email to Mrs. Curtis to get an email out to teachers for help.

UCS – The Southshire Partnership for a Healthy Community had a representative (Glenn Gross) come and talk to the parents about under age drinking and substance abuse. They are looking for more parent participation to get a better look to see what people are most concerned with. The Maums is looking to add their website to the PTSA site. Glenn Gross will contact Mrs. Curtis when the site is ready.

Teacher Appreciation – Tracy Bicking and Peg O'Connor will be doing in May.

Next meeting is April 7, 2010 @ 6:30
